

Pray for the houses affected by the disaster. Pray families are able to recover special memories. As you rebuild the house, pray everyone can quickly rebuild their own houses.

Pray for the first responders heading in to rescue those stranded and those who are in need of help. Pray they have endurance and supernatural strength. As you pray color in each of the first responders represented and those not represented.

Pray for the animals who have lost their homes, or are lost. Pray they can find their way home. Pray for food to be brought they can eat. As you pray for the animals draw a bed under each animal for the animal to sleep on.

Pray for the people who have lost their homes. Pray they are able to rebuild, and they don't lose hope. As you pray for the families draw a blanket around them to keep them warm and safe as they wait.

Pray for those in the middle of the disaster to have access to food. Pray for safe deliveries to grocery stores and for the relief efforts. As you pray draw in a meal you think the people would like to eat.

Pray for volunteers heading down to help out. Pray they are encouraging, and are able to rest so they can go back out there and help more. As you pray, draw how you might help if you were there to help.

Pray for the doctors and the patients in hospitals that had to be evacuated. Pray for the doctors to get the rest they need to keep helping the sick and injured. Pray for the patients that doctors are able to keep them. As you pray for the doctors and nurses color in the equipment they use.

Pray for the people rebuilding after the disaster. Pray their hands will be steady, and they make good use of the materials. Pray they work hard to rebuild quickly. Pray they are able to buy all of the materials they need. As you pray color in the tools they will use.
